(vii) Training to promote rural sports, nationally recognized sports, paralympic sports and Olympic sports (xii) Disaster management, including relief, rehabilitation, and reconstruction activities.	Mumbai	OSCAR Foundation is a football for development non-profit dedicated to empowering children and youth in low-income communities in India. OSCAR uses football as a tool to deliver education and life skills sessions enabling children and youth to become role models in their community. Over the last 11 years, more than 12000+ children and youth in India have joined OSCAR's Football, Education, and Young Leaders' Programme. OSCAR Foundation is

					headquartered in Mumbai and has reached out to children in Mumbai, Delhi, Karnataka, Andhra Pradesh, and Jharkhand.
4.	ACT Grants	Action COVID-19 Team	Disaster management, including relief, rehabilitation and reconstruction activities.	PAN INDIA	ACT Grants is created by India's start-up and venture capital community from across the country to give wings to ideas that could combat COVID-19 with immediate impact. As a collaborative initiative, ACT Grants aims to support innovative start-ups and solutions to scale and fight the COVID-19 crisis. ACT Grants have already helped over 50 portfolio organizations with strong and unique solutions to combat COVID-19 in India in the areas of Quarantine Management, Contact Tracing COVID-19 Testing and Detection, Personal Protective Equipment (PPE), ICU and Hospital Capacity Augmentation and Oxygen Therapy Solutions.
5.	Foundation of Arts for Social Change in India (SLAM OUT LOUD)	Child Education in the form of art-based learning	(ii) Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects	Punjab, Delhi	Slam Out Loud uses performance and visual arts to enable children from disadvantaged communities to find their voice through creative expression. It works with professional artists and e-learning resources to help children build the creative confidence

				<p>needed for them to dream bigger and create their future. By providing access to space for art-based learning that is traditionally inaccessible to individuals in at-risk communities, it builds in them 21st-century skills of critical thinking, communication, collaboration and creativity, fostering leadership that can drive universal change. The diverse group of children, youth and artists that Slam Out Loud works within these communities discover their voices through the transformational power of the arts enabling them to become creative thinkers who dream bigger, achieve more and create the future</p>
